

Kuku & Toi for The Flame of Love

Oh! I want
to tell him
how I feel!

Maybe I'll
pick him
a special
present!

Maybe I
picked
a lot of
food!

I hope
he'll
like them.

I want to give
him something
white but...

...now I
can't get
Toi out of
my mind.

The flames
of love are
ignited and
rekindled
himself!

The

I don't
need
your
love.

Oh, Toi.

Look it
is those
flames I've
given
the gift.

How are you doing?
I'd like to know more
about your hobby. I
will let him know if he

I should

about a

Maybe he can't adjust to their diet and lifestyle. What if I need his counseling?

I hope life is doing okay in the New World.

I know, it's soon Jami.

Are, Jami?

I wonder if he's got all the clothing equipment. Is there anything else he needs?

Oh yes, I'll pack some necessities... and continued...

Tell me when you're in trouble! I'll be right there!

Are, I'm all right.

Are you all right? It's getting really hot.

I thought I was bad...

Sakasa, don't overexhaust yourself.

Maybe Kuku was trying to give Toto to me...

Toto...

That was thoughtful of you.

Like a good fig?

Thanks for the points.

Let's have it together.
